The Science Museum Unveils Their Latest Exhibition "Robotville" Displaying The Most Cutting Edge In European Design

LONDON, ENGLAND - NOVEMBER 29, 2011 - The Science Museum has unveiled its latest exhibition, "Robotville: The Most Cutting Edge in European Design".

LONDON, ENGLAND - NOVEMBER 29: Robotics student Gido Andreoni interacts with a Dexmart robotic hand built at the University of Bologna in the Robotville exhibition at the Science Museum on November 29, 2011 in London, England. The Science Museum's Robotville exhibition showcases 20 unique and cutting-edge robots from European research laboratories, it is free to enter and runs from December 1-4, 2011.
